GODREJ HOME LOCKERS PROVIDE ENHANCE SECURITY

MOTORISED LOCKING SYSTEM

Godrej Home Lockers are equipped with motorised shooting (locking) bolts which provide foolproof security compared to spring based mechanical bolts that are more commonly available in the market. Unlike spring based mechanical bolts, motorised shooting bolts cannot be opened even with a strong magnetic field or by aggressive tampering with the locker. It is entirely and solely password protected.

LOCKERS ARE MOST SECURE WHEN ANCHORED

Installation: Every Godrej home locker can be anchored or grouted from the bottom and back.
